A photograph of a modern bar area on Level 50. The bar is a long, curved counter with a vibrant red, pleated curtain backdrop. Three bartenders are visible behind the counter, working with various glassware and bottles. The bar is decorated with floral arrangements, including a large one in a gold bowl on the right and smaller ones on the left. In the foreground, there are several tall, thin black metal stands. To the right, a large, dark rectangular planter holds a bouquet of flowers and several lit candles. The floor is a light, polished material that reflects the ambient lighting. Large windows in the background offer a view of a city at night, with lights from buildings and streets visible. A speaker on a stand is positioned on the left side of the frame.
